ใบงานที่ 6 เรื่อง My House & Household Items

Directions: Read the passage. Write a new passage to describe what you possess or have in your house.

I live in a house with my parents in Chiang Mai. It is a two storey wooden house. The house is equipped
with both old and new household items. In my bedroom, there are a blue fan, a black television, and a
red laptop. The bathroom is equipped with a toilet, a water heater, a hair dryer, and a mirror. There is a
gas stove, a cupboard, a sink, a dining table set, a red refrigerator, a blue washing machine, and a gray
blender in my kitchen. In the living room, there is a television, a yellow sofa, a white air-conditioner, and a
brown showcase. There are many items I need in my house such as a microwave oven, a dishwasher, a
coffee maker, and a DVD player. What is there in your house? What color are they? Do you need
anything more in your house? Show me
