เรื่อง My Free Time

Directions: Write a letter to introduce yourself. Study the sample letter.

Dear Lilly,

Hello, Lilly. How are you doing? I'm very well. I am Christine Abbot. I am 15 years old. I come from Los Angeles, the USA. In my free time, I do a lot of things such as watching movies and cooking. I like action movies but I don't like thriller movies. I love eating Thai food. In the evening, I sometimes cook dinner for my family. In the morning, I usually go jogging with my brother. I play table tennis and swim in the evening. I don't like outdoor activities like going shopping or dining out. I prefer reading books and doing homework.

What do you do in your free time, Lilly? And your hobbies? What kinds of sports do you like? Look forward to hearing from you soon. Have a good day! Bye.

Best Wishes,

Christine
